GROWING IS GOD'S BUSINESS!

“All by itself the soil produces grain--first the stalk, then the head, then the full kernel in the head” (Mark 4:28)

Pastor's Corner - Do you remember the nursery rhyme "Mary, Mary, Quite Contrary" by Mother Goose? It goes:

Mary, Mary, quite contrary
How does your garden grow?
With silver bells and cockleshells
And pretty maids all in a row.

I never understood this children's song. Who was Mary contrary? Who puts cockleshells in the garden, except to add calcium to the soil? Why were there maids in the garden? Many experts have explained the song's meaning, including stories about Mary Queen of Scots, Mary Tudor, and others.

The line which stuck with me as a child was, "How does your garden grow?" My grandfather was a gardener, and I wanted to be like him. He taught me good seed, good soil, hard work, consistent watering, weeding, and determination makes gardens grow. Right? Not always.

Like many persons stuck at home during the pandemic, I expanded my enjoyment of gardening. I read some of the studies which highlighted the positive effects of gardening on people's wellbeing, mood, and nerves. Digging in the dirt has a calming effect upon many of us!

I built raised beds, prepared the soil, planted good seeds, watered them, and waited for my small vegetable patch to produce a bounty, but it did not give me everything I expected. Some seeds did not sprout, others the squirrels ate, and some, like the Zinnias, flourished. I had no control over if, when, or how many of the seeds would grow. But, I know, **growing seeds is God's business!** In his parable of the growing seed, Jesus told us this irrefutable fact, "All by itself the soil produces grain." (Mark 4:26-29). Gardeners must do everything in their power to prepare and promote growth, but in the end, the Lord causes things to grow!

Growing spiritually and numerically as a congregation is like gardening. We can do everything in our power to prepare for and promote growth, but ultimately, **God causes the**

Christian and the Christian church to grow!

As Psalm 127:1 teaches us, "Unless the Lord builds the house, those who build it labor in vain."

One way to prepare for church growth is a process called **Natural Church Development (NCD)**. It is a process to increase the health of a church that pinpoints where to focus attention to improve health and release greater growth potential. It is a spiritual journey that involves people and empowers them to make positive changes in their congregation. The main objective is to increase the overall health of a congregation by measuring eight Quality Characteristics:

1. Empowering Leadership
2. Gift-Oriented Ministry
3. Passionate Spirituality
4. Functional Structure
5. Inspiring Worship
6. Holistic Small Groups
7. Need-oriented Evangelism
8. Loving Relationships

NCD helps church leaders ask the essential questions: ***What must we do to prepare for God's growth? How can we join God's work in the world using the spiritual momentum He is already creating? Where should we focus God's resources to fulfill Christ's mission?***

Starting this summer, we will be engaging in an expedition to see where God yearns to expand His kingdom in our neighborhood. We will hold prayer retreats, investigate demographic information, engage in meaningful conversations about strategies, and some of our members will be asked to complete a survey. We will do our best to prepare for God's work among us, through us, and in us. I hope we will be pleasantly surprised by the Lord.

Our Church Finances

The Memorials Committee (Alice Payne, Molly Morris, Bev McCurdy, Pastor Greuter and

Nancy Lindberg) met recently to discuss and recommend to the church council several memorial accounts for items approved to be purchased for the church.

- The family of Judy Longstaff requested rose bushes and an angel statue for the bench area on the northeast corner of the church. The committee recommends the approximate \$500 for these items out of Judy's memorial that currently totals more than \$3,750.
- The expense of approximately \$4,500 for a new digital media console for the sanctuary was recommended out of the older memorial accounts including Ila Mae Martin's memorial. A list of those memorials will be announced once families have been contacted.
- A music cart to store and move the old hymnals from Holmer Hall to/from the music room was recommended for approximately \$400 and that memorial will also be announced once the family has been contact and the council has approved.

Our income for April was \$22,547.72. Our total income for the year to date is \$104,127.27. Our budget percentage of income through April is 48.73 %. Our budget year is 33.3 %.

Our expenses for April total \$20,001.15. Our expenses total for the year is \$82,036.91, which is 33.65 % of our budget.

The difference of income to expenses for the year is \$22,090.36.

I announced recently that West Side Baptist was approved to receive \$29,487.00 as part of the second round of the federal Payroll Protection Program (PPP). This amount was based on our church payroll and utilities for the 2nd quarter (April, May and June) of 2020. This money was deposited in our capital campaign account at Capitol Federal Bank. I transferred \$12,058.83 for our April 2021 expenses – \$9,269.80, gross payroll, and \$2,789.03, utilities. I'll do the same for May in early June and for June in early July. Once this money has been spent, I will complete the paperwork for the PPP loan to be forgiven. Our first PPP loan received in 2020 was for \$23,500.00. This federal program is being used by many small businesses including churches to provide financial assistance during the struggles of COVID-19.

Thanks,
Nancy Lindberg

One Great HOUR

OF SHARING

Hi Everybody,
Following is a summary of the items we discussed at our Mission

Committee meeting after church in May:

1) We will be collecting the One Great Hour of Sharing offering in June. We are setting the goal at \$1500.

2) Bethel will be resuming their summer youth program in person for June and July with some restrictions. I do not have any confirmation yet on the resumption of the Friday night services, but my feeling is that if the youth program goes well (and health guidelines allow), Bethel will open more "in person" activities. We have 5th Fridays in July, October and December. I doubt we will be going down in July, but I think October might be possible. We usually don't go in December. I will continue to monitor the situation.

3) I would like to determine if there is interest in a Fall mission project. I have not contacted any place yet; I would like to see how many are interested first. If there are enough people, we can consider an out-of-state project like Murrow, or something closer to home. We can discuss that later. Please let me know if you are interested in participating in a Fall mission project and if you have a specific project preference.

Thanks!

DOORSTEP - Currently, we are planning a kick-off for late June, as we seek to raise awareness and funds for our assistance programs, capital improvements, Doorstep's endowment fund, and operating expenses throughout this next year. For example, our HVAC system is original to the building, which we own, and is over 60 years old. It is time for an upgrade, and we need to raise funds for a new, more efficient system.

More information will be going out to our congregations, and our Facebook page in June, and throughout the next year regarding ways you can help Doorstep, and continue to be a part of the work we do as neighbors helping neighbors.

NEWS FROM CHRISTIAN EDUCATION...

Summer Sunday School Cinema begins June 6 @ 9:00 AM. Our first movie is "Zootopia", an animated Disney film with lessons for mature children, teens, and adults. This film received great reviews for not only its humor, but also its messages about courage, empathy, tolerance, teamwork, bullying, and stereotypes. We will watch this film in 4 segments during the month of June. There is a sign-up sheet for treats on the bulletin board. Please join us for this time of fellowship.

Plans are being made for a children's **Vacation Bible School** to be held July 26-30. Supper will be served at 5:00 PM with activities to follow until 7:00 PM. Eligible ages are any kids who have finished K up through 5th grade. Our theme is "Wilderness Escape – Where God Guides and Provides." Please watch for details in the upcoming weeks on how you might contribute. Many adult volunteers will be needed to get everything ready and accomplished both prior to and during that week.

We are also planning to restart our **Wonderful West Side Wednesdays**, aka **WWW**, in the fall. This has been such a vital and important program for the children, youth, and adults in our community and church the past several years. Beginning on Wednesday, Sept 1, we will provide a meal and a group Bible lesson for children and adults. Again we will be counting on volunteers to carry out this mission. There are jobs to help with transportation, cooking, serving, clean-up, teaching, playing, singing, and more. You are invited to be a part of WWW.

SCHOOL SUPPLY DRIVE FOR MEADOWS ELEMENTARY SCHOOL - I know that school is just getting out and the last thing you are thinking about is school supplies, but due to the longer school year caused by the pandemic, the summer break will be short and school will be starting again in mid-August. In conjunction with Midtown Community Services, we will be collecting school supplies to fill a backpack for 40 needy students in July. A list will be provided of the items our Church will be asked to donate, but in the mean time, if you want someone else to do the shopping, please drop your donation off at the Church Office. Thank you.
